The following information was received from the National office of Boy Scouts of America. If you would like to participate, please contact Romy Longwell at Rlongwell@bsa-la.org by August 16 regarding any footage you can provide and she will coordinate with the National office on your behalf.

**Dear Scout Executive,**

**The Outdoor Channel is currently in production on a Scouting related TV show, *Scouting TV*. Set to air in the Spring of 2008, this show will highlight Scouts, Scouting values, and of course the fun we have. One of the features will be "Do One Daily" which will focus on a unit as they conduct a service project. This feature is the perfect opportunity for your Scouts to show all the great service they provide – all done in a home-movie style. Please see the attached document for further information. Here's where we need your help. We are looking for home video that may already exist. Or, if you have a unit who will be conducting a service project in the near future, let them know what we're looking for so they can video tape it.**

**This TV program will have a positive impact on the awareness of Scouting in your community. It will open the doors to new volunteers and members. It will provide the positive reinforcement to your volunteers about their involvement in the BSA. We need your help.**

#### **For Your Information:**

The editor of **KIDS ON WHEELS**, a quarterly magazine for kids who use wheelchairs and their families is looking for kids to feature in the fall issue's cover story on Scouting. This is a national publication, however, the editor is in Southern California so he's starting his search with us. I've attached a link to the magazine's website [http://www.kidsonwheels.us/about\\_magazine\\_kids.cfm](http://www.kidsonwheels.us/about_magazine_kids.cfm)

If you are interested in being contacted by the publication for possible inclusion in the magazine, please contact Romy Longwell at Rlongwell@bsa-la.org and she will coordinate. They are looking for Cub Scouts or Boy Scouts who use wheelchairs, focusing on ages 8-12.

**The Institute of Equestrian Therapy** has been providing horseback riding for disabled children since 1974. The IET is a not for profit, all volunteer organization. We are in need of additional volunteers to help assist students as they learn to ride and improve their balance, coordination, and self confidence. No experience necessary! We'll train you in basic horse care and handling.

We are located on a beautiful, serene, 3000 acre ranch in Simi Valley. This is a wonderful opportunity to help disabled children and at the same time enjoy a truly natural environment. A chance to walk wooded trails and experience the great outdoors while helping others!

Lessons are scheduled for Saturdays and Sundays, 9:00 A.M. to 1:00 P.M.

You can send us an email at [equestriantherapy@yahoo.com](mailto:equestriantherapy@yahoo.com) and visit our site at <http://www.equestriantherapy.com>. You can also call us at 805-426-9981

### **Patrol Challengers**

We are getting closer and closer to **November 2- 4** for this year's **Patrol Challenge**. Registration has been brisk. We already have 25 patrols registered. Are you one of them? If not, you're wasting valuable time. Those patrols have in their hot little hands Early Bonus Clues that they can start working on now. Yes, you will be able to do these Early Bonus Clues at the event in November, but why wait? Get started on them now by paying your registration. Once you do you will get all the clues for May, June, July and August sent right to your in-box!

Word of the event has spread. In fact there is a patrol from the San Francisco area that will be participating! Plus a couple from Orange County are probable too. Remember your distance from the check in has no bearing on your ability to compete. The event is structured so that there are an equal number of locations for the Scouts to find in every area - no matter where you live. You may even find that the outer areas have their own special values! This event has a level playing field for everyone. Don't let your perceived distance deter you from having your Scouts enjoy this unique event. One mom said she hoped for lots of locations out of her area to give her boys an opportunity to explore - that's the spirit! Give it a shot, your Scouts and you will benefit.

We invite you to visit our website that is in the process of being re-vamped <http://bsa-la.org/events/patrolchallenge/index.htm> You can get the registration form, flyer and read some great testimonial letters from last years participants. The rules should be put up shortly. Come back from time to time to see what's cookin.

We look forward to Challenging you!  
Patrol Challenge Team

### **Moose calling:**

As the new Program Director for Camp Josepho, I'm in need of your help. Neither Mrs. Moose nor I are certified yet in BB, Rifle, Archery and Swimming. We have people booking the camp who would like to use these resources. We are starting a resource list of people that could help us out and provide a quality program for the youth of our council. If you would like to make your services available please contact me at [Cjmoose07@aol.com](mailto:Cjmoose07@aol.com) or 1-800-669-5516.

### **At the present time we need:**

We need one or two people for 2 four hour slots during the week next week. Days and hours of your choice. This group would like to offer it on two different days. Another group is coming in on Sunday, August 12 and we need all three areas, swimming, archery, and BB. from 1 - 4. I thank you in advance for your devotion to the Scouting Program

#### **Council Advancement Committee**

The Council Advancement Committee is seeking nominations for Silver Beaver Recipients. Applications can be obtained from the council office or their district Advancement Committee Chairs. Applications must be received by November 16, 2007 to be considered for this year's Silver Beaver Class.

Thank you,

To all Scouters –

Let the High Adventure Team help you for next year if you believe that your Troop's summer program is lacking some oomph this year. If your current Pack or Troop leadership is trained, you should get other leaders trained as additional resource.

In August, the HAT team will offer a Saturday morning outing leader course for cub leaders and non-backpacking scouters. The course will explain all the elements necessary for planning and completing successful and save trips for your group. We are in the process of determining the specific date so watch for a Paul Oliver notice. Outing Leader is a prerequisite for the Basic Backpacking course.

In September, the HAT team along with Vedugo Hills will offer an intense weekend of Scouting orienteering. The boys will earn the orienteering merit badge and the adults will earn the orienteering stripe and qualify as a merit badge counselor.

In October, the HAT team will offer the Basic Backpacking course over two weekends. Not only we will train any scout leader to lead boys and adults in a backpacking trip, but we provide all the course material on CD to share with the boys and adults in training.

Finally, HAT provides year-round training for all types of adventures. See the upcoming schedule and mark your calendar.

## For all of WLACC and beyond:

Let's find out about whom we, as a community, most respect as a person of character. We're in the "business" of character development for youth, so we ought to know!

Send your suggestions to david@karpmediation.com; I will then post a poll on our WLACC-Relationships Yahooogroup [if you are not a member please advise by email to david@karpmediation.com and I will add you as a member]; and then we can all vote. This could be fascinating.

There are no restrictions. Your nominee can be a contemporary figure or one from history ... in the arts, sciences, politics, government, business, health, education, any sphere of influence is OK with me. National or international. You decide.

Please provide me with the name only; you do not need to state the reason why you chose this person to nominate.

I will post the poll for us to vote at least one week from now.

Thanks.

Chair, WLACC Relationships Committee

PS Plans for the 2008 Conference on Character at Pepperdine University on Martin Luther King Day (January 21, 2008) are moving right along. More announcements about this event will be posted as they become available, primarily on the WLACC-Relationships yahooogroup!

## Calling All Scouts who call themselves Fishermen!

The Annual "Cub Family Weekend" is coming up soon (Aug 24th-26th) at Camp Whitsett and we need simple fishing poles to help the youngsters earn their Fishing Belt-loop.

I know that everyone who loves fishing still has a couple of inexpensive, simple "starter" fishing poles still hanging around. I would love to borrow them for the weekend to help some boys learn the love of fishing.

Please let me know if you have any and I'll try to make it easy to loan them to me. In return, you'll know you made some little Cub very happy if only for a few hours trying their luck at the lake at Camp Whitsett.

E-mail me at cubmaster\_pack550@yahoo.com if you can help.

Thank you for your time;

## Eagle Project

Dear Fellow Scouts, Family, Friends and Neighbors,

I am currently working on my Eagle Scout Leadership Project and I am asking for your HELP.

My project will benefit the San Fernando Valley Historical Society's Pioneer Cemetery preservation project. I chose this project because I wanted to help restore dignity to those buried at the Pioneer Cemetery and assist in the continued efforts to beautify the community.

The project entails replacing 700 plain bricks, currently located at the entrance to the Cemetery, with new engraved donor memorial bricks. It also entails digging a 120-foot trench needed to bring power to a water fountain that was donated to the Cemetery.

I need to rally as many helpers as I can to work on **Saturday, August 18th, from 8:00 a.m. until 6:00 p.m.** I have set aside Sunday, August 19th as a fall back day in the event not everything gets completed on Saturday. Any time you can afford to give me, whether it's one hour or all day, would be greatly appreciated. Please call or e-mail me at (818) 741-0001 or brian@briancoffin.com if you are able to volunteer.

Sincerely,  
Brian Coffin  
Life Scout, Troop 549
