To: Prospective Whitsett & Whitsett Sierra Expeditions Camp Staff Applicants

From: Clifton S. Stewart, Camp Director

Enclosed is an application for a staff position at Camp Whitsett and Whitsett Sierra Expeditions for the summer of 2007. It is my hope that you will complete the Application and return it with one Letter of Recommendation, and an Applicants Letter to the council office at the address above, **no later than January 19, 2007**. Please note: It is essential you complete a new application form in order to be considered, even if you have been on staff for several years. You may have additional qualifications and experience for us to consider and it is important for the camp to have up to date personnel files.

Staff dates for 2007 are scheduled for Sunday, June 17 to Sunday, August 19 for Camp Whitsett and Sunday, June 10 to August 31 for Whitsett Sierra Expeditions. If unavailable for the full summer, please note available dates on your application (**Availability is a minimum of 6 weeks, and we try to hire from either end of the summer**). Also, due to the high number of applicants for various positions, please make sure you fill out all four choices. The staff is asked to attend our volunteer staff work party at the camp the weekend of June 1, 2007, to June 3, 2007.

By January's end you will be notified of the date, time, and location for your interview. Interviews will be held in mid-February at two locations and are an important part of the selection process for **ALL** applicants, including former staff. Of course exceptions are made for applicants who live outside the interview zone. In this instance a telephone interview may be conducted. Please complete the questionnaire regarding your availability for interview and return it along with your staff application form.

Whitsett has a rich history of service and dedication to the scouts who camp there. 2007 will be no different. I hope you take the time to fill out this application and return it swiftly for consideration. I look forward to meeting you during the interviewing process.
