Field Sports Merit Badges Prerequisites (Archery, Rifle Shooting, Shotgun Shooting)

Field Sports Merit Badges are among the most difficult offered at Camp Emerald Bay. Pre-camp study is highly recommended in the curriculum. Careful completion of the material substantially increases the Scout's acquisition and retention of knowledge. The study material is the same as that used by many Merit Badge Counselors elsewhere in the Country. While we will have some blank copies of the homework available at Camp, we URGE anyone who signs up for these Merit Badges to download the forms and complete the work before coming to Camp. **They are to be handed in at the first class session.** The homework sheets can be downloaded at http://meritbadge.org/wiki/index.php?title=Merit_Badge_Worksheets

Select Archery, Rifle Shooting, or the Shotgun Shooting Merit Badge title as appropriate. Either Doc. #1 or the PDF #1 will do. Then print the downloaded forms and do the studies. Those who gain a good grasp of the information before coming to camp will be able to spend more time with the practical skills.

Please note that current revised edition copies of the Merit Badge pamphlets are necessary to correctly complete the work

A minimum of two day dives and one night dive will be scheduled each week (weather, gear and personnel allowing). Night divers must make a day dive first. Tanks and soft weight are provided on all dives (divers are asked NOT to bring their own tanks and weights). All additional gear is available for rent.
