### WELCOMING CHANGES EMBRACING COMMUNITIES

2018 showed Scouting at its very best. Western Los Angeles County Council (WLACC) experienced new developments and saw the very best of Scouting in action.

- 2018 young women into the BSA Cub Scout program. Across all of the Council’s Districts, we have embraced the Family program, with 271 girls joining 45 local units.

- The Council’s hard work modernizing all 3 camps (Camp Emerald Bay, Camp Josepha, and Camp Whittier) means they are ready and excited to host female Scouts in 2019. WLACC properties welcomed their first female Cub Scouts over the summer of 2018, with resounding results.

- The year has not been without adversity: forest fires raging throughout Southern California, causing widespread destruction and disturbing countless lives. Scouts is responding, showcasing the merits of the program, the strength of Scouting ideals, and the kindness of our community.

The Woolsey Fire displaced thousands — many Scouting families lost their homes, impacting wide swaths of the Council.

- In the midst of the heat of the fires, Scouts and Volunteers were active trying to help. Council Support Centers were inundated by calls. Local Exploring Posts assisted in driving and clothing supplies to help evacuees. After the initial blaze, as floods and mudslides loomed, Scouts were out, filling and placing sand bags around the surviving homes, embodying the essence of Be Prepared.

- The initial Woolsey Fire outbreak prompted evacuation orders and prevented the planned Los Colos Circus. “Scouting for Food” was delayed – and to take on a new significance. Food banks and community centers were flooded with over 200 Scout volunteers.
