**WLACC Scout Shout-Out FAQ**

**Q: Why is this initiative needed?**
A: Families are interested in organizations that provide fun, educational programming but may not be aware of or consider Scouting. We believe our current Scouting families, who have positively experienced the Scouting program, are our strongest asset to reach these interested families!

**Q: How long does this initiative last?**
A: Scouts will be credited for any friend that joins between August 17th and November 22nd, 2020.

**Q: How does it work?**
A: When a Scout has a friend who joins because of them, that Scout will receive 25% ($31.50) off their 2021 registration. For each additional friend that joins, they will receive an additional 25% off, up to the total 2021 registration fee of $126.

**Q: We have a friend who wants to join, how do we make sure we get credited?**
Prior to joining, they should fill out the interest form at [www.JoinSoCalScouts.org](http://www.JoinSoCalScouts.org) and put your Scout’s name when asked who referred them. Then, they should register by filling out the BSA youth application on paper or online at [beascout.org](http://beascout.org). Only Scouts who join a unit in WLACC are eligible.

**Q: How do we know we’ve been credited?**
A: After your friend has joined, you will be emailed a voucher for 25% off your 2021 registration.

**Q: How does that translate into our 2021 registration?**
A: Your unit should attach the voucher(s) to their 2021 recharter packet, and subtract the amount from what they charge you as well as from what they owe the BSA.

**Q: I have additional questions, who should I contact?**
A: Contact Andrew Sisolak at andrew.sisolak@scouting.org
