## Purpose of Wood Badge

Wood Badge training was started by Baden Powell in 1919 as a way to ensure that the leaders of scout troops were properly trained. Since then Wood Badge has been held worldwide providing advanced leadership training to thousands of Scout leaders.

Wood Badge builds upon the best traditions and experiences of Scouts BSA and gives men and women knowledge to strengthen the entire Scouting program from Cub Scouts to Venturing. It provides dedicated Scouters with the latest concepts, tools, and methods in leadership theory and team development.

## What to Expect...

The new Wood Badge format is a 5-day course, divided into a 3-day and 2-day weekend. As a participant, you'll experience all that scouting has to offer from Cub Scouting, to Scouts BSA to Venturing. The Wood Badge course uses a variety of learning techniques including multi-media presentations, hands-on activities, group discussions, and games to bring various concepts to life.
